

Agri-Valley Irrigation, LLC is the leading irrigation design, installation and service company in California's central valley with over 30 years in business and six branches from Bakersfield to Merced. We have an exciting opportunity for a Design Engineer to join our team in our Fresno location.

Essential Duties and Responsibilities includes, but is not limited to, the following:

- All irrigation design functions, including preliminary project assessment, planning, design, hydraulic calculations, application rates, control systems, valves, pumping requirements, filtration requirements, water transportation pipelines, and reservoirs. Irrigation systems will consist of drip lines (online and inline), drip tape, sprinklers, micro sprinklers, gravity feed furrow and mechanical systems such as pivots and linear move devices.
- Complete all design and engineering functions in a timely and efficient manner to meet customer's requirements and budgetary constraints, while adhering to the highest level of industry standards and integrity.
- Develop accurate design material lists ensuring all material quantities and specifications are correct.
- Maintain complete records of all system designs including all files, drawings, spreadsheets, notes, etc.
- Support field sales and construction with project implementation whenever requested in a timely, thorough and professional manner.
- Assists customers and salesmen in the field and office with irrigation design and application related questions.

Qualifications:

Bachelor's degree in civil, mechanical or other water or Ag related engineering preferred.
Certification as Certified Irrigation Designer by the Irrigation Association required.

Agri-Valley Irrigation, LLC offers a competitive Wage, Performance Bonus and Company Benefits Package which includes: Medical/Dental/Vision, 401(k), Paid Expenses, 125(k) Plan, PTO, Life Insurance.

Employment at the Company is employment at-will. Employment at-will may be terminated with or without cause and with or without notice at any time by the employee or the Company. Nothing in this job description or in any document or statement shall limit the right to terminate employment at-will.
