

CAIA AWARDS SCHOLARSHIPS FOR 2020/21

Congratulations to this year's scholarship winners and a sincere thank you to our scholarship sponsors!

Irrigation Design and Construction LLC and **RDO Water** awarded their scholarships to Brayan Garcia. Brayan is a senior at Cal Poly SLO majoring in Agricultural Systems Management, with a minor in Water Science. Brayan is a graduate of Santa Ynez Valley Union High School, Santa Ynez, California.

Buckner Superior (the Gary Pendleton Scholarship) awarded their scholarship to Alexa Sutter. Alexa is a junior at Cal Poly SLO, majoring in BioResource & Ag Engineering. Alexa is a graduate of Palos Verdes Peninsula High School, Rolling Hills Estates, California.

Agri-Valley Irrigation selected Jose Amezcua as their scholarship recipient. Jose is a junior at Cal Poly SLO, majoring in BioResource & Ag Engineering. Jose is a graduate of Reedley Middle College High School, Reedley, California.

Fresno Valves & Castings and Agri-Valley Irrigation awarded scholarships to Joshua Porter, a junior at Cal Poly SLO. Joshua is majoring in BioResource & Ag Engineering, and graduated from Mission Oaks High School, Tulare, California.

Western Ag & Turf awarded their scholarship to Liliana Reyes Solorio, a senior at Fresno State University. Liliana is a senior at Fresno State, majoring in Agricultural Education with an emphasis in Plant Science. She is a graduate of Livingston High School, Livingston, California.

In 2017, CAIA began offering member companies the opportunity to sponsor scholarships to be awarded to applicants within the California university and college systems. The sponsoring company selects a recipient from the student applications received. If your company would like to sponsor a scholarship next year, please contact Jane Townsend (jane@agamsi.com).
